**Response to Office Action Regarding Restrictions**

**In response to the Office Action mailed 12/04/2006 (Restriction of inventions pursuant to 35 U.S.C. 121), applicant respectfully requests acceptance of the following response:**

Applicant has had a telephone conference with patent examiner Matthew S. Gart, Technology Center 3600 and agrees to restriction of Claim 8, Claim 9 and Claim 10 and reserves the right to file divisional applications for Claim 8, Claim 9 and Claim 10 at a later date and prior to payment of issue fee as relates to this application, as applicant may desire.

Applicant elects for examination despite 37 CFR 1.143 and that Claims 1-7 be further examined for patentability under this application number 10/689,120.

Enclosed please find a duplicate of this letter and a stamped return-addressed envelope to be returned indicating the action taken. Any inquiry concerning this communication or earlier communications should be directed to Adam Forman, Esq.

Respectfully submitted,

BY
